## Trending for Easter:

### Grazing Boards

Easter celebrations are perfect for grazing boards. A classic charcuterie board can be enhanced with fresh fruits and vegetables like cucumbers and grapes.

Consider more than just the classics, offer dessert or breakfast boards with baked goods, fruit, and chocolate and get creative with bunny-shaped treats, skewers, and a mix of sweet and savory options.

### Creative Treats

Embrace creativity with your Easter offerings to stand out from the competition! Everyone loves a unique, seasonal treat! Here are some ideas to get you in the Easter spirit:

**Carrot Patch Dessert Pots:**  
 Fill a shot glass with your preferred filling, then add cookie crumbs and top with an orange chocolate-covered strawberry.

**Deviled Egg Sliders:**  
 Stack two deviled eggs to form a bun, then fill them with a mixture of egg mayo, lettuce, tomato, and crispy bacon. Use a skewer to hold everything together, creating a delicious BLT-style deviled egg slider.
